

Customer Discounts

Source: Designed by Farid El Masri, adjusted by Gerhard Pokorny

Transfer the following verbal description into an ERM:

- a) Customers (Cust-#) get discounts (Disc-#) on items (Item-#). Each item can only have one discount rate.
- b) Items belong to a single category (Categ-ID).

Category

<u>Categ-ID</u>	...

Item

<u>Item-#</u>	Categ-ID	Disc-#	...

Discount

<u>Disc-#</u>	...
